

## 2019 TIMETABLE

### MINIS DIVISION

MAPA's Minis Division introduces young children (2 - 6yrs) to the wonderful world of music and dance in a fun and creative learning environment. Each program for Babies, Tiny Tots & Pre-Juniors, develops coordination and motor skills, builds confidence and improves teamwork, sharing and listening skills. We believe in the importance of young bodies learning correct technique and foundation skills. Classes incorporate imaginative play and storytelling to ensure the learning process is both fun & enjoyable. Students are encouraged to use the key elements and fundamentals they develop to express themselves freely through movement. Each class (excluding Baby Boppers) features in an age appropriate performance at the end of the year.
